

Investment objective

Aim

This fund aims to deliver above inflation growth, whilst taking a high level of investment risk relative to the other funds in the Governed Portfolio range. Investment risk is a measure of the expected volatility. On a scale rating the investment risk of Governed Portfolios from 1 to 7, with 1 being the lowest, this fund is a 6.

The fund invests in a range of asset classes, that can include, but is not limited to equities, fixed interest, cash, property, and commodities.

Ongoing Governance

This fund comes with ongoing governance. This simply means that our investment experts check it regularly. It allows us to maintain the best mix of assets in line with the risk category - and to make sure it is performing in line with its overall objectives - aiming to give you the best returns.

If our experts decide that the mix of assets needs to be adjusted, it happens automatically on your behalf, you don't need to do anything. What's more, this service comes at no extra cost.
